

THE JOURNAL OF SCOTTISH NAME STUDIES

THE FUTURE OF THE JOURNAL

PUBLISHER

From its inception in 2007, *The Journal of Scottish Name Studies* has been published by Clann Tuirc. From next year (2020), it will be published by Celtic and Gaelic at the University of Glasgow.

EDITOR(S)

To date, the journal has been edited by Simon Taylor (Vols 1–3) and jointly by Simon Taylor and Richard A.V. Cox (Vols 4–13).

Vol. 14 is to be edited by guest editor Sarah Künzler, with Simon Taylor as consultant editor (Richard Cox has retired). It will contain articles resulting from a series of seminars led by Dr Künzler at the University of Glasgow on the overall theme of ‘Challenging perspectives: new approaches to the Scottish landscape through the study of place-names’.

SUBMISSIONS

Submissions are welcome as usual. However, while shorter varia will be considered for inclusion in Vol. 14, main articles will be held back and considered for inclusion in Vol. 15.

BIBLIOGRAPHY OF SCOTTISH NAME STUDIES FOR 2018

SIMON TAYLOR
University of Glasgow

The aim of this bibliography is to present, in a continuous list arranged alphabetically by author, all relevant articles, chapters in edited books, monographs, CDs, e-books and PhDs (most of which are now available on-line) which appeared in 2018. It is then followed by a Reviews section, and finally by a section on new digital resources.

This bibliography does not cover the shorter articles, often illustrated, on a wide range of Scottish toponymic themes, which appear in *Scottish Place-Name News* (*SPNNews*), the excellent twice-yearly newsletter of the Scottish Place-Name Society edited by Bill Patterson. This publication also includes summaries of the papers given at the SPNS spring and autumn conferences. It should be noted that all back-issues of this publication, the first issue of which appeared in 1996, are in the process of being uploaded as pdfs onto the SPNS website <<https://spns.org.uk/resources>>.

For more extensive bibliographies of name studies in Britain and Ireland and, less comprehensively, other parts of northern Europe, see the bibliographic sections in the relevant issues of *Nomina*, the journal of the Society for Name Studies in Britain and Ireland. The material in these *Nomina* bibliographies is set out thematically and includes relevant reviews which have appeared in the given year.

I would be very pleased to hear from anyone who spots any omissions or errors in the following bibliography. I can be contacted via the *JSNS* website or on <simon.taylor@glasgow.ac.uk>. Also, I would be glad to receive notice of anything published in 2019 for inclusion in *JSNS* 14.

In order to make it easier for the reader to find their way around, I have put in **bold** not only authors' surnames but also some of the key places, persons or elements discussed in the individual entries.

I would like to thank Carole Hough, Alan James and Eila Williamson.
